Recreation News

Planting has begun in the courtyard & at the main entrance. We are still looking for a **volunteer** to help with weeding once a week. There are small gardening tools available and gloves, please ask a staff member.

When possible, we will move programs to the courtyard. Families are always welcome to join in.

We have already ventured out on a number of outings, there are many more fun ones planned for the summer. If you would like your loved one to be on the list to go, please contact the recreation department.
